WEEKLY EMAIL TO MEMBERS

Tee Boxes

During February & March all white tees will be moved forward to the yellow tee boxes. We are protecting the competition tees in readiness for the new season beginning in April. The competition standard scratch (css) will be reduced in line with this reduced yardage in qualifying competitions.

Sunday Lunch

Peter & Jo will be serving Sunday lunch this Sunday (5th). Please book your reservations behind the bar. The new Sunday Lunch menu will be on the chalk board in the lounge later this week. They are looking forward to meeting you all over the next few days.

Leslie Wood Trials

Ray Davies this year's Team Captain is organising trial matches on the following days: Sunday 12th February & Sunday 26th February. Please meet at 12.00 noon for a 12.30pm tee off if you would like to be considered for the team. (Handicaps 7.5 and above) Please note the tees have not been reserved for these trial matches.

Men's Friendly Matches 2012

Details of all the 2012 Men's friendlies can now be found on the Men's Competition Noticeboard. There are friendlies between April and September both home and away, so please look at your diaries and sign up to play in these fun, but competitive matches.

Putting out during the winter months

To avoid footprints and general wear and tear around golf holes, please putt out with the pin in or out. Over the next couple of months please refrain from holding the flag. This local rule applies to all non qualifying competitions, friendly golf and also includes The Winter League Knockout. (Please do not apply this rule to qualifying competitions)
